COMMUNITY NEEDS ASSESSMENT

GET INVOLVED

PARTICIPATE IN A RESEARCH STUDY TO BETTER UNDERSTAND THE MENTAL HEALTH AND SUBSTANCE USE NEEDS OF YOUR COMMUNITY

How can you participate?

Complete a short survey on the mental health and substance use needs in your community. This research aims to better understand the current mental health and substance use needs, services, and gaps to be able to better serve your community.

Who Can Participate?

- Anyone living, working or going to school in Princeton and surrounding area
- Anyone who is over the age of 15
- Able to understand English
